DESIGN GROUP

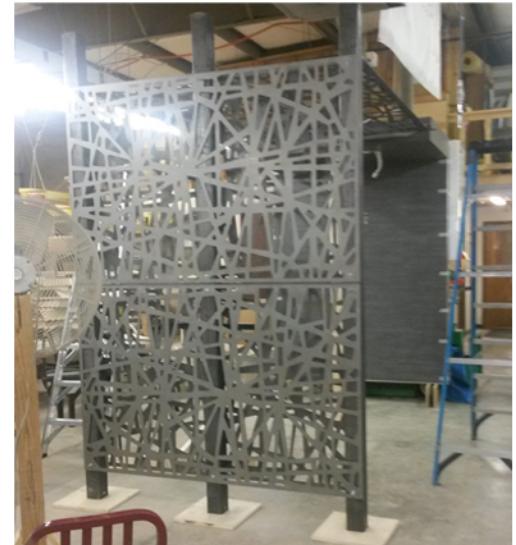

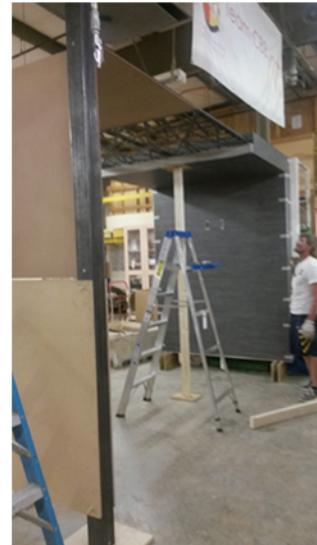

Client: Burger King franchisee /  
Innerworks Design Group

Project Description: Fabrication of  
seating and decor package

Installation: 2015

Through our strategic partnership with Innerworks Design Group, CDG often manufactures custom seating and decor packages for various quick service restaurant groups. This specific product was a highly detailed steel wall and canopy design which involved close coordination with design, engineering, fabrication and the general contractor.

**Test fit in factory**

**Installation**
